TRANSFER SERVICES

...helping you go from Mt. SAC to a great four-year university!

Transfer Services can help you prepare to transfer to a college or university of your choice through workshops, activities, events, and advising. We help all Mt. SAC students…

Explore Four-Year Colleges and Universities:

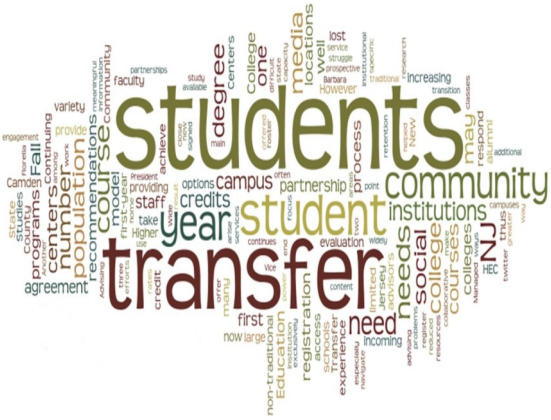
- Check out internet resources to research potential colleges, majors and more!
- Explore our transfer resource library and computer lab.

Understand the Transfer Process:

- Attend workshops on filling out transfer applications, writing the personal statement, admission requirements, UC Transfer Admission Guarantees (TAG), and more.

Get Out There:

- Participate in university tours to check out colleges and universities that interest you. We visit southern California colleges and universities and offer yearly overnight trips to visit northern California universities such as UC Berkeley.



Connect with University Representatives:

- Make an appointment with university representatives to learn more about your desired transfer institutions.
- Attend transfer fairs in fall and spring semesters.

Celebrate Transfer Success:
