Fall 2021 AB705 Target Course Grade Distributions and Success Rates in AMLA, ENGL, MATH, and READ

This report provides a quick view on the grade distribution and success rates of those courses related to AQ placement in AMLA, ENGL, MATH, READ for Fall 2021. Success Rate in this report is defined as the percentage of students who received a grade of A, B, C or P out of the total number of students enrolled in a course by census date. Due to the impact of COVID-19 and switching to online instruction mode, certain grading and registration status policies have been temporarily modified following Chancellor's Office updated guideline (see Executive Orders and Guidance Memos here). Be alert that all "F" grades were automatically converted to "NP" in fall 2021. Please note that percentages based on small number (<30) are shaded in the report and not reliable to use for comparison.

Summary data in this report are organized by subject area:
- AMLA (pp. 1-2)
- ENGL (pp. 3-5)
- Math (pp. 6-8)
- Read (pp. 9-10)
- Appendix: Three Fall Terms Grade Distribution Comparison by Subject (pp. 11-12).
