 Last Street City Zip Code

I wish to address the meeting.

I wish to make a written comment.

Comment: I believe that the location is
not desirable because of the view
that we would lose as we enter
beautiful Walnut. I have seen many
schools that are placing solar panels
in the parking lot. This creates
shade for the cars.

I am against the proposed
placement of the solar panels along
Grand Ave. Please re-consider this
project. We love our city for its natural
look.

Thank you
