The Board of Trustees will conduct a self-assessment process every year to include:

- A. The completion of a self-assessment instrument by each member of the Board.
- B. A discussion of the compilation of the results.
- C. The development of a set of goals and objectives for the next year.
- D. Performance goals and objectives related to the College's and the Board's commitment to diversity, equity, inclusion, social justice, anti-racism, and accessibility.

A summary of the evaluations will be presented and discussed at a Board Study Session scheduled for that purpose. The results will be used to identify goals for the following year.
