 Mt. SAC Relays – 47<sup>th</sup> Running

Value. • It's at Mt. SAC.

"We started our college education at Mt. SAC and got the best for less."

**You Can Have It All!**

- Wide selection of majors and vocational majors
- Direct transfer path to top universities
- Award-winning faculty and staff
- Millions in financial aid for tuition, books, ... cover the rest
- Award-winning student and staff organizations
- Internship and career centers where you can belong

... you can have it all for just \$200 a year!

Value. • It's at Mt. SAC.

"We're committed to giving our students as solid an undergraduate education as any university can offer."

**Instruction at its Best!**

Top-rated faculty • small class sizes • a supportive environment • quality instruction.

Our team of 2,270 full and part-time faculty are experts in over 200 academic and vocational programs. Our diverse faculty is dedicated to providing the commitment of a first-class education to students with the same passion.

Value. • It's at Mt. SAC.

**You Do the Math!**

At Mt. SAC, you're more than just a number. You get all of our way to provide personalized and focused support and help to succeed. We start by providing you with all the resources and then help you chart a course of development for your own individual path to success. Plus we offer career success and campus life activities that make college a fun and exciting experience.

You could say we've got your back at Mt. SAC. And that's a good thing!
