

**APPENDIX B**

**REMUNERATION / REASSIGNED TIME FOR DEPARTMENT CHAIRS**

(Effective August 1, 2003)

Each department chairperson shall have the option to buy back the equivalent of 3 LHE reassigned time each semester. The maximum amount of reassigned time provided to a department chair by the District may not exceed eighty percent (80%) of contract load. Any portion of the annual stipend that is converted to reassigned time shall be costed at the overload hourly rate for each hour of reassigned time from contract teaching load.

Department Chairs shall have reassigned time and stipend allocated on an annual basis as show below. The reassigned time can be used in the fall and/or spring semester as approved by the division administrator. Hours that would have been spent teaching will be required on campus per a schedule approved by the division administrator. The purpose of the reassigned time is to provide service to students, part-time and full-time faculty and other staff.
