Non-Credit and Comm. Svcs.	242	1.4%
Unduplicated C.E. Total	17,673	100.0%

\* **End-of-Term** - End-of-Term data is the latest reasonable measurement Mt. SAC uses to analyze its student body. The date used for this report falls well after the actual end-date of the term. This is to allow for changes in enrollment due to grade changes, incomplete grades, etc. It is for this reason that the Office of Research and Institutional Effectiveness uses this late date as its measurement of student enrollment at the College.
