

The “Plane” Truth About Learning to Fly

Thinking about earning a pilot certificate but don't know where to get started?

The following topics will be discussed:

- Commitments that are vital for success
- Pilot certificate requirements, from Private Pilot to Flight Instructor
- Medical certificate requirements
- Which flight school is your best fit
- Financial considerations for learning to fly
- Educational demand for your career
- How long is this going to take me?
- What I need to do to get started?

Questions are welcome!

Sound interesting or would like to learn more?
