

Mt. San Antonio College
A.S. Degree in Aviation Science

Recommended Sequence of Course

The A.S. Degree in Aviation Science prepares our students for air traffic control careers. The recommended sequence of courses listed below does not include the general education courses required for the A.S. degree. Consult our college catalog for these requirements. It is recommended that you integrate your general education courses into your course schedule carefully, since these courses fill faster than our aviation courses. Fall 2013 the courses have been renumbered to 100 series and 200 series course numbers.

Semester A

- AERO 100 (AERO 23) Primary Pilot Ground School 4 units
- AERO 102 (AERO 26) Aviation Weather 3 units
- AERO 104 (AERO 29) Federal Aviation Regulations 2 units

Semester B

- AERO 152 (TRAN 17) Air Transportation 3 units
- AIRT 151 (AIRT 41) Aircraft Recognition and Performance 3 units

Semester C

- AERO 200 (AERO 27) Aviation Safety & Human Factors 3 units
- AIRT 201 (AIRT 42A) Terminal Air Traffic Control 3 units
- AIRT 203 (AIRT 42B) Enroute Air Traffic Control 3 units

Semester D

- AERO 250 (AERO 24) Navigation 3 units
- AERO 252 (AERO 30) Instrument Ground School 3 units
- AIRT 251 (AIRT 43) Air Traffic Control Team Skills 1.5 units

TOTAL UNITS 31.5
