- Prepare your students for Summer Bridge -

Apply to Mt. SAC—All applicants must submit a college admission application before they submit a Summer Bridge application. Students must apply online. Once they apply the student will receive an email with their student account information. *Students must claim their account through the following website: <http://my.mtsac.edu>.* All Summer Bridge applicants MUST claim their account prior to attending orientation. Failure to do so can delay course registration.

Math and English Placement Tests—All applicants are required to take the Mt. SAC Math and English placement tests. Testing may be available through the High School Outreach Department at the high schools, if it is not or if the testing is scheduled late April or in May, students should not wait and instead make an appointment to take the tests at the Assessment Center at Mt. SAC. Failure to provide test results before the priority deadline can affect the student's admission to Summer Bridge. *Assessment Office phone (909) 274-4265.*

Financial Aid—Students should apply for financial aid through www.fafsa.ed.gov. Undocumented students should also apply for financial aid through the Dream Act application found at www.caldreamact.org. Mt. SAC's school code is 001245. Once applied students can communicate, view their application status and/or view their award through their portal on the "financial aid" tab. *Students can also visit the Financial Aid Office located in the Student Services building 9B.*

College Fees—All fees are due upon registration. Enrollment fee is at \$46 per unit. Other fees such as the Health and Student Activities fee are calculated into the student's college fees. The parking permit fee is optional. *All fees are payable on-line through the student's portal or can be paid in the Bursar's Office located in building 4, 1st floor.* All fees are subject to change.

Mt. SAC student ID—All Summer Bridge students must get their Mt. SAC student ID during the first week of summer school. *Students can get their ID at the Bursar's Office located in building 4, 1st floor and only once all fees and tuition is paid.* Students will need their ID in order to take advantage of tutoring services, computer lab, printing, and study room offered by Bridge.

Textbooks and school supplies—Textbooks are offered on a loan basis by the Bridge Program during the summer and will be issued the first week of school. *Other school supplies such as pens, pencils, and scantrons can be purchased at the bookstore located in Building 9A.*

Class Attendance—The Summer Bridge Program is only 6 weeks long therefore attendance is crucial. Absences can affect the student's grade. Students who plan vacation or other activities that interfere with the Summer Bridge Program are asked to speak to a counselor or advisor before applying.
