

The Math Bridge provides a combination of Math and Counseling courses for students seeking a unique learning experience. In addition, students will learn what it takes to succeed in college and beyond. Students will work in teams, and receive tutoring in these courses. (Tutoring upon availability and by instructor request).

If you are interested in enrolling in Bridge Community classes for the Fall 2017 semester, you need to attend all classes in the cluster/link of your choice, and get add codes from the instructors. Once you have the add codes, you must enter all the CRN's to register.
