

The Math Bridge provides a combination of Math and Counseling courses for students seeking a unique learning experience. In addition, students will learn what it takes to succeed in college and beyond. Students will work in teams, and receive tutoring in these courses. (Tutoring upon availability and by instructor request).

Please contact the Bridge Program at (909)274-5392 or come in person to the Student Success Center, Bldg. 9E (2nd Floor) to **reserve your space for attendance** at any one of our Information Sessions. **Space is limited!**

Barrios, M.

3 units

13-1245

*Prerequisite: Eligibility for Engl 68

NOTE: Attendance at an information session and special approval is needed to enroll in this learning community.

BRIDGE PROGRAM INFORMATION SESSIONS:

Visit us at: http://www.mtsac.edu/bridge/bridge_spring_fall.html
for an updated schedule of Bridge Information Sessions.

Interested in attending a Bridge Information Session? Please follow these steps:

1. A Mt. SAC student **MUST attend one** of the Bridge Information Sessions listed above to be considered for enrollment into any of the Bridge Program learning communities. This session is an opportunity for students to find out about the Bridge Program and whether our learning communities will be a good fit academically for you.
2. Please contact us at (909)274-5392 or visit us at the Student Success Center, Bldg. 9E (2nd Floor) to **reserve your space** at one of our Information Sessions. **Space is limited!**
3. Please be prepared and have knowledge of your Mt. SAC student I.D. number and what courses you are eligible for.
4. Limited seating is available in every session. Attendance at an Information Session **does not guarantee enrollment** into the Bridge Program classes. Availability of spaces in the Bridge Program learning communities are subject to change and are based on several factors such as, but not limited to: student's placement test results, open spaces in our classes, and/or courses already taken either at Mt. SAC or another college.

To request reasonable disability related accommodations please contact Esther Hernandez at ehernandeznunez@mtsac.edu at least 5 business days in advance of the event.
