
Section 1

The College

Mt. San Antonio College

Mt. San Antonio College (Mt. SAC) is a public community college which offers a diversified program designed to develop qualities of general education essential for citizens in a democratic society. The objectives of the education program are to prepare students for transfer to baccalaureate level colleges and universities, to increase vocational competence culminating in usable and marketable occupational skills, to provide a general education emphasizing basic skills and appreciations, to promote continuing education and lifelong learning, to assist the student through guidance to know and develop his/her abilities in relation to his/her potential, and to provide community service and adult education.

The College offers courses of study through a semester system. Each semester, Fall and Spring, are 18 weeks in length. Summer sessions vary in length, ranging from 6 weeks to 12 weeks. Many courses are offered in an accelerated mode.

Instruction at Mt. SAC is organized under a divisional structure with departments within each division. At present, the College has six (6) instructional divisions within which are 36 departments.

History

The Mt. San Antonio Community College District was created in December, 1945 when voters of four local high school districts approved the formation of a community college district. Initially known as Eastern Los Angeles County Community College, the College

was later renamed Mt. San Antonio College after the most visible snow-capped mountain (popularly known as Mt. Baldy) in the distance behind the Campus.

The 421.33 acre College site was originally part of the 48,000 acre La Puente Rancho. During World War II, the facility was converted into an army hospital and later a navy hospital.

Mt. SAC opened in the Fall of 1946 with 635 students occupying a few Spanish tiled buildings and temporary navy barracks clustered below the San Jose Hills. Walnut, not yet an incorporated city, consisted of very little except dirt roads, cactus, and grasslands covered in the spring with wild mustard grass.

Not surprisingly, the growth of Mt. SAC has mirrored that of the local area. The College now serves the communities of Baldwin Park, Bassett, Charter Oak, Covina, Diamond Bar, the southern portion of Glendora, Hacienda Heights, City of Industry, Irwindale, La Puente, La Verne, Pomona, Rowland Heights, San Dimas, Valinda, Walnut, and West Covina.

Mt. SAC has emerged as a leader in education not only in the San Gabriel Valley, but in the state. The College is the largest, single-campus community college in the state of California with a Fall 2000 combined Credit, Continuing Education, and Community Service Fee student enrollment of 39,800. In 2001, Mt. San Antonio College proudly celebrates 55 years of educational excellence. The College will continue to offer access to quality programs and services as well as provide an environment for educational excellence throughout the 21st Century.

Students may complete required English and Math placement testing in the Mt. SAC Assessment Center. Career and personality assessments are also available for student development.

Mission, Vision, and Values

Mission

It is the mission of Mt. San Antonio College:

- to provide accessible and affordable quality learning opportunities in response to the needs and interests of individuals and organizations.
- to provide quality transfer, career, and lifelong learning programs that prepare students with the knowledge and skills needed for success in an interconnected world.
- to advance the State and region's economic growth and global competitiveness through education, training, and services that contribute to continuous workforce improvement.

Vision

It is the vision of Mt. San Antonio College:

- to become a premier community college.
- to be a leader in teaching, learning, programs and services.
- to provide access to quality education, focusing on student success within a climate of integrity and respect.
- to consistently exceed the expectations of our students, staff, and community.

Core Values

Access to Learning and Quality

Access

- Equal Opportunity
- Aesthetic, Safe Environment
- Ongoing Dialogue
- Open Exchange of Ideas
- Involve Everyone
- Staff Participation

Learning

- Celebrate Diversity
- Active Learning - Student and Faculty Interaction
- Continuous Learning and Improvement
- Global Thinking - No Boundaries
- Long Range View of the Future
- Innovation
- Collaboration and Cooperative Spirit

Quality

- Student and Stakeholder Driven
- Shared and Responsible Leadership
- Design Quality into All Programs, Services, and Process
- Management by Fact
- Unyielding Integrity - Trust and Respect
- Set Stretch Goals

Physics students Ya-Yuan Cheng and Tarif Hawasly discuss the results of an experiment with Physical Sciences Professor Julia Tudor.

Coach Mike Swenegan, and Larry Butler join BSU for a BBQ fundraiser on Juniors Day.

College Governance

Mt. San Antonio College is governed under a shared governance structure. Joint responsibility, authority, and decision making is through the collaboration of administrators, faculty, staff, and students planning for the future, developing policies, regulations, and recommendations which guide the College. Broad participation from all segments of the College community is both encouraged and expected in the governance structure.

Board of Trustees

The Mt. SAC Board of Trustees is established by, and derives its powers and duties from, the Constitution of the State of California and the Statutes of California as adopted by the Legislature and issued in the California Education Code, and the directives of the Board of Governors, California Community Colleges, listed in Title 5, California Administrative Code.

The Board of Trustees, as the policy-making body of the College, sets forth policies as are necessary to govern the conduct of Mt. SAC and defines procedures essential to the effective execution of policies.

Managers

The managers at Mt. SAC are responsible for the effective and efficient operation of the College and its programs and services. Under the shared governance structure, Mt. SAC managers implement College policies, regulations, and procedures, and make policy recommendations to the College President and Board of Trustees.

Professors

Under the shared governance structure, Mt. SAC professors are represented by the Academic Senate. It is charged with representing all faculty in academic and professional matters. The Senate, working with managers, Classified Senate, and student leadership, provides direction and helps set the goals and objectives for the College.

Classified Staff

Under the shared governance structure, the Mt. SAC classified staff members are represented by the Classified Senate. The Senate along with the Administration, the Academic Senate, and student leadership, work to provide direction for the College and set goals and objectives.

Associated Students

Associated Students is recognized as the official student voice on the Mt. San Antonio College campus. Associated Students, made up of an elected Executive Board and Senate, represent the needs of all students. The Executive Board is elected each Spring. Senators are appointed to their positions by the Senate. The officers of the Associated Students are a research and deliberative group that makes recommendations to the College's management staff to provide for students' interests.

The Executive Board and Senate have the authority to allocate money from the College Services Card Fee charged to each student. This money is distributed to a variety of College departments and organizations to help provide services including cultural, educational, and recreational programs. The Senate committees specialize in various areas of Associated Student business and conduct the research necessary to determine the Senate's stance on issues.

Through the shared governance structure, students at Mt. San Antonio College have the opportunity to serve on College-wide committees with managers, faculty, and classified staff where they can voice their opinions and influence decisions affecting Mt. SAC. Student committee members are appointed by the Associated Students' President.

College Foundation

Thousands of students of all ages come to Mt. SAC to achieve their dreams through education. Many of these same students

need financial help to stay in class, even though the cost of a community college education is more affordable than ever when compared to other colleges or universities. The College also needs increased financial support for special projects and improvements, such as the Hilmer Lodge Stadium and the Performing Arts Center projects.

Working closely with the College Scholarship Committee and the Financial Aid Office, the Foundation contributed more than \$143,000 to the College this past year. These funds were directed toward student scholarships, emergency student book loans, special academic project support, and in capital gifts to the College.

As a new member of the Mt. SAC scholarship family, **Cacique, Inc.** contributed **\$10,000** to establish the **Cacique Single Parent Fund**. This year, Mt SAC student **Lisa Cohen** (shown above with her son) received one of the **nine \$500 scholarships** personally from **Cacique, Inc.** Vice President **Orlando Ortega**, and **Cacique USA** Advertising manager, **Maria de Cardenas**, at the **Cacique Single Parent Awards Luncheon** held on campus this past April.

If you see the value of what we do and want to help, why not make your own tax-deductible gift? There are several ways you can do this. You can become a Foundation Association member for as little as \$10 per month, or you can make a memorial gift in the name of someone you love. You can establish an endowed annual scholarship or special book loan fund for qualified students in any academic or certificate program.

The Mt. SAC Foundation has been helping Mt. SAC students for 32 years. With your support we can do even more. Give us a call today. Let's talk about what we can do together. (909) 594-5611, Ext. 4215.

College Organization

Board of Trustees

President	Dr. David K. Hall
Vice President	Dr. Manuel Baca
Clerk	Gayle Pacheco
Member	Fred Chyr
Member	Rosanne M. Bader
Student Trustee	Brian Calle

Administration

Institutional Advancement

President	Dr. Bill Feddersen
Vice President, Institutional Advancement	Dr. Pat Rasmussen
Director, Public Information and Community Relations	Jane Faulkner
Director, Planning and Resource Development	Monica Anderson
Director, Research and Institutional Effectiveness	Barbara Silverman
Executive Vice President, Mt. SAC Foundation	Charles R. O'Brien

Student Learning

Vice President, Student Learning	Dr. Rita Cavin
Assistant Vice President, Student Learning	Barbara N. Crane
Associate Dean, Student Learning	Susan Long
Dean, Learning Resources	Kerry Stern
Director, Campus Events	Bill Eastham
Director, Fire Technology (Technology and Health Division)	Thomas Feierabend
Dean, Business Division	Marjorie L. Chitwood
Associate Dean, Business Division	Dr. Arlo Minden
Director, Child Development Center (Business Division)	Janette Henry
Dean, Humanities and Social Sciences Division	Dr. Stephen A. Runnebohm
Associate Dean, Humanities and Social Sciences Division	Virginia Burley
Dean, Natural Sciences Division	Larry Redinger
Associate Dean, Natural Sciences Division	Deborah Borocho
Director, Nursing Program (Technology and Health Division)	Barbara Napper
Dean, Physical Education	John Norton
Associate Dean, Physical Education	Deborah Blackmore
Director, Mt. SAC Relays	Scott Davis
Dean, Technology and Health Division	John Heneise
Associate Dean, Technology and Health Division	Dr. Sarah Daum

Information and Educational Technology

Vice President, Information and Educational Technology	Dr. Jerry Nogy
Director, College Information Systems	Sheryl Hullings
Director, User Support and Network Services	Dale Vickers

Administration *(continued)*

Student Services

Vice President, Student Services	Dr. Audrey Yamagata-Noji
Dean, Counseling and Matriculation	Raul Rodriguez
Director, Admissions and Records	Eloise Young
Director, Assessment	James Ocampo
Director, Career and Job Placement	Steve Woodyard
Director, Disabled Student Programs and Services	Grace Hanson
Director, Financial Aid	Susan Jones
Director, Health Services	Sandra Samples, RN
Director, School and College Relations	Dr. Elizabeth Cipres
Director, Student Life	Marilyn Kaecke
Director, Extended Opportunity Programs and Services	Irene Herrera

Community Education and Economic Development

Vice President, Community Education and Economic Development	Karen S. Meyers
Director, Community Education and Services	Paul Hischar
Director, Contract Training, South ED>Net	Scott Hammer
Director, ESL and International Programs	Carol Ryerson
Director, Exercise Science/Wellness Services	Joe Jennum
Director, Performance Improvement (Centers of Excellence) ED>Net	Cheryl Marshall
Director, Regional Economic & Workforce Development (Centers of Excellence) ED>Net	Vacant
Director, Regional Health Occupations Resource Center	Bonnie Adams
Director, Small Business Development Center, ED>Net	D. Cope Norcross
Director, Special Programs and Basic Skills	Margie High
Director, The Training Source	Gary Kay
Project Director, CalWORKs	Vacant
Assistant Director, ESL and International Programs	Liza Becker
Satellite Manager, Small Business Development Center	Vacant

Administrative Services

Vice President, Administrative Services	Nancy Rice
Administrative Director, Auxiliary Services	Dave Friedley
Director, Auxiliary Services Accounting	Sid Young
Director, Bookstore	Vacant
Director, Food Services	Vacant
Director, Satellite Operations	Becky Carr
Director, Fiscal Services	Linda Baldwin
Assistant Director, Fiscal Services	Rosa Royce
Director, Payroll	Debra Rosen
Director, Purchasing	Richard Fick
Director, Public Safety	Doug Evans
Assistant Director, Public Safety	Michael Montoya

Facilities Management

Director, Facilities Planning and Management	Jeff Holstien
Director, Custodial Services	Rebecca Mitchell
Director, Grounds	Carol Gundlach
Director, Maintenance	Kent Smith
Facilities Project Manager	Roger Sneed

Human Resources

Vice President, Human Resources	Wade A. Fray
Director, Human Resources	Trinda Hoxie
Director, Staff and Organizational Learning	Dick Ryerson

Instructional Divisions

Business Division, 909-594-5611 Ext. 4600

The Business Division is comprised of five educational departments: Accounting and Management, Business Administration (Paralegal Studies, Marketing, Sales and Real Estate), Computer Information Systems (Programming and Networking), Family and Consumer Sciences (Early Child Development, Fashion Merchandising, Interior Design, Nutrition and Food Sciences, and Restaurant Management), and Office Technology (Secretarial Sciences, Legal and Medical Transcription), and the services of the Child Development Center. The Business Division strives to ensure high quality educational programs in up-to-date facilities meeting the job requirements and needs of the community.

Marjorie L. Chitwood, Dean
Dr. Arlo Minden, Associate Dean

Department Chairpersons

Accounting and Management (<i>Co-Chairs</i>)	Bob Farris, Ext. 4904 Dan McGeough, Ext. 4910
Business Administration	Dr. Amrik Singh Dua, Ext. 4612
Computer Information Systems	Phil Barnhart, Ext. 4720
Family and Consumer Sciences	Joanne Driggers, Ext. 3906
Office Technology	Bonnie Jeffers, Ext. 3915

Humanities and Social Sciences Division, 909-594-5611 Ext. 4570

The Humanities and Social Sciences Division is comprised of ten departments: American Language; Art/Animation; English, Literature, and Journalism; Foreign Languages; Sign Language and Interpreting; Communication; Music; Geography, History, and Political Science; Sociology and Philosophy; Psychology, and Education, with interdisciplinary and national award winning programs.

The Division sponsors the student drama and music productions in the Performing Arts Center, oversees the Animation and Radio and Television Certificate Programs, monitors KSAK, (the College radio station), and publishes the student newspaper, *The Mountaineer*, through Journalism courses. In addition, the largest community college honor society in the nation, Phi Theta Kappa, and an Honors Program with articulation to prestigious baccalaureate level colleges and universities are sponsored by the Division. The Division has a nationally ranked Forensics Program and a successful International Work Study Program.

Dr. Stephen Runnebohm, Dean
Virginia Burley, Associate Dean

Department Chairpersons

American Language	Glenda Bro, Ext. 4588
Art	(Co-Chair), Carolyn Alexander, Ext. 4317 (Co-Chair), Craig Deines, Ext. 4316 (Co-Chair), Kirk Pedersen, Ext. 4322
Communication	Dr. Ron Reel, Ext. 4667
English, Literature, and Journalism	Dr. Michael Sullivan, Ext. 4706
Foreign Languages	Guillermo Villarreal, Ext. 4584
History, Geography, and Political Science	Dr. Henry Pacheco, Ext. 4568
Music	Katherine Charlton, Ext. 4332
Psychology and Education	Rosa Preciado, Ext. 4446
Sign Language and Interpreting	Bob Stuard, Ext. 4443
Sociology, and Philosophy	David Medina, Ext. 4591

Instructional Divisions *(continued)*

Learning Resources Division

The Learning Resources Division includes Learning Assistance, Library, Media Services, Tutoring, and Distance Learning. Housed in the Learning Technology Center, the various departments provide support services for all students at the College.

Kerry C. Stern, Dean

Departments

Learning Assistance	Chair, Ron Chavez	Ext. 4304
Library		Ext. 4260
Media Services		Ext. 4270
Tutoring		Ext. 6605
Distance Learning		Ext. 5658

Natural Sciences Division, 909-594-5611 Ext. 4425

The Natural Sciences Division provides a wide variety of diverse educational opportunities and programs within its seven departments. These departments include Agricultural Sciences; Biological Sciences; Chemistry; Earth Sciences, Photographics, and Astronomy; Mathematics and Computer Science; Nursing; and Physics and Engineering.

Agricultural Sciences provides numerous vocational programs leading to an Associate degree or certificate including programs in Animal Science, Equipment Technology, Registered Veterinary Technology, and Ornamental Horticulture. Biological Sciences offers a variety of courses for both majors and non-majors, including specific programs in Anatomy and Physiology, Anthropology, Microbiology, Botany, and Zoology. Chemistry offers a full range of lower-division courses, including introductory, general, and organic chemistry. Earth Sciences, Photographics, and Astronomy provides course work in geology, oceanography, meteorology and astronomy, as well as vocational degrees and certificates in Photography, Computer Graphics and Design for Interactive Visual Media. Mathematics and Computer Sciences provides courses for students of all levels of computational ability, from pre-algebra to calculus and differential equations. It gives students an overview of various programming languages, focusing on the development of logic and data structures. Physics and Engineering offers several course sequences in classical physics, as well as courses in Physical Science. The Engineering program provides a solid foundation of lower-division courses for those students preparing to transfer to a baccalaureate level institution.

Larry L. Redinger, Dean

Debbie Boroch, Associate Dean

Department Chairpersons

Agricultural Sciences	Dave Lannom,	Ext. 5150
Biological Sciences	William Waggener,	Ext. 4554
Chemistry	Karelyn Hoover,	Ext. 4517
Earth Sciences, Photographics, and Astronomy (Co-Chairs),	Mario Caputo,	Ext. 4439
	Dr. Neil Chapman,	Ext. 4444
Mathematics and Computer Science	Debbie Williams,	Ext. 4729
Physics, Engineering	Tom Smith,	Ext. 3920
Registered Veterinary Technology (Director)	R. Jean Hoffman,	Ext. 4544

Instructional Divisions *(continued)*

Physical Education Division, 909-594-5611 Ext. 4630

The Physical Education Division promotes the total well-being of the student through conceptual learning and active participation in Physical Education, Athletics, and Dance.

The Division believes that Physical Education, Athletics, and Dance are important components of the total college educational process. Opportunities are provided for continued student growth through acquisition of knowledge, physical development, social skills, values, and emotional patterns in the forum of physical activity and competition.

John Norton, Dean/Athletic Director

Deborah Blackmore, Associate Dean/Assistant Athletic Administrator

Department Chairpersons

Athletics (Assistant Directors)	Deborah Cavion, Ext. 4355
	Doug Todd, Ext. 4882
Dance	JoElla Lewis, Ext. 4635
Physical Education	Deborah Cavion, Ext. 4355

Technology and Health Division, 909-594-5611 Ext. 4750

The Technology and Health Division provides 29 occupational and vocational programs in the areas of technology, public services, and health care. The programs offer a variety of Associate in Science Degrees and certificates leading to job placement, transfer, and updating of skills. Programs offered in technology include Aeronautics, Air Conditioning and Refrigeration, Aircraft Maintenance, Architecture and CAD, Electronics Technology, Travel, Water Technology, and Welding. The Public Services Programs include Administration of Justice, Correctional Sciences, and Alcohol and Drug Counseling. Health Care Programs include Medical Services, Mental Health, Radiologic Technology, Respiratory Technology and Nursing. The Associate Degree Nursing program provides quality preparation for students seeking a career as a Registered Nurse. Programs are driven by industry needs and many are governed by State accrediting boards.
