

# Dream it, BE IT!

. . . at MT. SAC

At Mt. San Antonio College, we believe that if you can dream success, you can achieve it. That's why this 2008-09 *College Catalog* promotes the theme, "Dream it, Be it!" Whatever your dream—a college degree or a new job skill—we stand prepared to provide you the quality instruction, the tools and the support services to fulfill it.

In this Catalog, you will find more than 200 degree and certificate programs, as well as a full range of basic skills and personal development courses. I encourage you to use the Catalog as your planning and resource guide to explore the vast scope of opportunities, services and programs that Mt. SAC offers.

We offer excellent university transfer, career and lifelong learning programs that empower you with the knowledge and skills needed to succeed in a diverse and interconnected world. Our curriculum is in step with the fast-changing needs of today's dynamic employment sectors.

As the largest of California's 109 community colleges, Mt. SAC regards itself as the "College of Champions." In virtually every academic, athletic and cultural discipline, we have excelled to the top, garnering local, state, national and even international honors. We are very proud of these accomplishments and the distinction that both faculty and student efforts continue to bring to the College.

So go ahead and dream big!
