

# Mt. SAC's Employee Recognition Program is **BACK!**

It's easy to acknowledge all the hard work our amazing employees accomplish each and every day. Here's how you can!

## **Atta Bear monthly award**

This program recognizes college employees, groups or departments. Each month, someone will receive the bear figurine and have his or her name in lights on the college marquee.

## **Thanks-A-Billion handbills**

Tell someone you appreciate them by giving them or sending a "thanks-a-billion" handbill. These can be found in your division or department offices.

## **Thank You for Making My Day cards**

We like to hear from students, and the community too, that we have done a great job. Cards will be placed in high traffic areas and completed cards will be forwarded to the appropriate employee and manager.

## **B-R-A-G line (ext. 2724)**

Call the line and tell us who you want to brag about! We'll list the employee and the accomplishment in the online Campus Connection.
