

What are the GED Subject Areas?

GED BATTERY TESTING IS IN THE FOLLOWING SUBJECT AREAS:

- Math
- Science
- Social Studies
- Reading
- Writing

How do I take the Official GED Tests?

It takes more than seven hours to complete all the tests, but all tests do not need to be done on the same day. Most of the test consists of multiple choice; however, students are required to write an essay as part of the Official GED Test.

What score do I need to pass?

Test results are expressed as standard test scores ranging from 200 to 800. Students can earn the GED certificate by scoring at least 410 on each test and an average standard score of 450 or higher.

Sign up for Distance Learning GED

WHAT IS DISTANCE LEARNING GED?

- Distance Learning GED is a way of continuing to study for the GED if you cannot make it to classes on campus.
- Students have the opportunity to study anywhere, anytime.
- Students can also study online!
- Students meet regularly with an instructor to individually go over homework and tests.
- Students work at their own pace.
- After completing a study course, the student will take the practice GED Tests to check for readiness.

WHO CAN TAKE THE GED?

- Individuals 18 years of age or older,
- Or within 60 days of his or her 18th birthday (regardless of school enrollment status)

How it works:

- Register for Distance Learning GED Prep Class
- Take GED Pre-Tests
- Identify your strengths and review areas of study
- Check out DVD lesson and Video Partners work packets
- View the program and complete the lesson
- Meet with your GED Instructor to review work
- Take home the next program and lesson
- Take the Official GED PRACTICE Test
- Register to take the Official GED Test
