Welcome to the Fall semester. We are beginning our Fall semester 2009 student learning outcomes (SLO’s). The only classes that will be completing SLO’s for the Fall semester will be all exercise and computer classes. If you teach these classes you should have received your templates in the mail and also in your Mt. SAC email accounts. If you haven’t received any SLO information please don’t hesitate to call Shelby White at extension 3064 or email swhite@mtsac.edu. All Lifelong Learning, Arts & Craft, China Painting, Water Color, Stained Glass, Wood Working, Jewelry and Gardening classes will complete SLO’s during the Spring 2010 semester.

Fall Student Learning Outcomes is a means to determine what students know, think, feel or do as a result of a given learning experience. In this process the outcomes are determined by the department program, or unit members. Assessment of the outcomes allows us to discover if the students are in fact, learning what they are expected to learn. The use of assessment results stimulates discussion and directs activities that can improve instructional delivery and/or support systems.

SLO’s are NOT in stone and if you feel your SLO should be changed to better meet your class level please leave suggestions.

By now everyone should have their Banner user ID’s and be able to log into their banner account to access your class schedules. Cards still need to be filled out and turned in for any students adding classes. All positive attendance reporting will need to be submitted online via banner. Remember to fill in a 0 when students do not attend. No more purple sheets and endless hours of bubbling. Yeah!! The new system will take some getting used to but should be much more efficient in the end. If you need any help accessing your Banner/Luminis account please contact the help desk at Extension 4357 (HELP).
Continuing Ed is Moving!

As of September 18 building 4 will be going through a remodel and Continuing Education will be moving to Building 40. Please turn all registration cards in to building 40 beginning September 20th or the Older Adult Program Building 36 Room 2.

Your hanging folders will also be located in Building 40.

All faculty absence reports will need to be turned in per monthly with your Mt.SAC Employee ID number to Linda Rodriguez in Building 40. Your employee ID # can be found on your pay stub or portal account.

Building 40 is located east of Bonita Drive, between the Equine Center and Agricultural Technology Center. Use student Lot F for easy access.

Human Resources has also moved and is now located in Building 16E across from student services in the heart of the campus on Miracle Mile.

Please be patient and bear with us through all the construction changes!

OAP FACTS

With the rise in the senior population, the Older Adult Program is busier than ever. As of the 2008-2009 school year the OAP had 5520 students enrolled. Out of 5520 students registered in OAP courses, we had 73 students that concurrently enrolled in credit classes, to continue their life long learning.

The OAP is an extremely diverse group with .06% American Indian/Alaskan Native, 17.2% Asian, 2.1% African American, not of Hispanic origin, 2.7% Filipino, 11% Hispanic or Latino, 0.1% Pacific Islander, 28.5% White, not of Hispanic origin, 13.5% Other Non-White, and 24.3% Unknown.

We had 79.1% Female, 19.9% Male and 1.1% Unknown, enrolled in 2008-09 school year. The senior population is only going to get bigger with the Baby Boomers reaching retirement age.

Important Dates!

Winter intercession begins Jan. 4 and ends Feb. 7, 2010. (* Two week spring break!!)

Spring semester begins Feb. 22 and ends June 6, 2010.

No Classes may be held on:

- Labor Day Sept. 7
- Veterans Day Nov. 11
- Thanksgiving Nov. 26, 27, 28 & 29
- Martin Luther King Day Jan. 18
- Cesar Chavez Day March 31
- Memorial Day May 31
Test Your Older Adult Knowledge

Do you know the population you are serving? Here’s a trivia quiz to test your knowledge.

1. The word that means “a person of 100 years” is:
   A. Centurion  B. Centigrade  C. Centenarian

2. How many people over 100 live in the U.S. today?
   A. 5,500  B. 64,000  C. 96,000

OAP Senator—Erica Ledezma

Older Adult Program  
Courses designed for older adults (age 55+) provide the full continuum of education from vocational classes to the pursuit of long-standing educational goals.

Mission  
The Older Adult Program provides opportunities to develop and share a new vision of life’s second half, to challenge the mind, acquire new skills, stay mentally and physically fit and share knowledge and experience with peers and younger people.

Vision  
The OAP strives to be a leading educational resource for Older Adults transitioning into life’s second half.
