

The MAC PRO Student Program

Once you are enrolled in the Makeup Artistry Certification Program, you are eligible to apply for MAC Pro Student Membership. A \$15 sign up fee allows you to qualify for MAC product discounts at MAC PRO stores as well as invitations to Master Classes, in-store events, PRO Website access and student makeup kits. This membership is for 12 months after which if you are a working makeup artist, you may apply for the MAC PRO (no longer student) membership.

For more information about the MAC PRO STUDENT Program, check out:

<http://www.maccosmetics.com/macpro/cms/membership/howtoapply.tmpl>

Go to the bottom of the page for the student program. Or you can pick up an application at a MAC Pro Store (Brea, South Coast Plaza, Pasadena, etc.)

You will need proof of enrollment along with photo i.d. and payment to apply. Mail back to MAC or drop off at a local Pro Store (takes longer). The application process takes more than 4 weeks from receipt of the completed form at MAC's headquarters. Therefore, if you hope to get your kit in time for class, you must register for class early and submit the MAC PRO Student application right away.

Once you have your MAC Pro Student membership number, you may then choose to order a MAC Pro Student Kit. Several kits are available which are priced at a 40pct discount off retail. The basic one is approximately \$600; contents and pricing are subject to change. To order a kit, call MAC Customer Service at 800 387-6707 and choose option #6. These kits are not available in stores, only available by phone.

MAC Pro Student kits are recommended but not required. You must however bring makeup and supplies necessary for working on fellow students.

Makeup Artistry Certification Recommended Supply List:

These items are recommended for your makeup kit. While I know that your selection may be limited, please be prepared to do a makeup application even on the first night of class! Ideally these products will be new or used hygienically. (Otherwise they may be used only on you!)

- Makeup remover wipes
- Mixing palette/palette knife
- Makeup sponges, sponge applicators, mascara wands, tissues
- Various makeup brushes

- Makeup pencil sharpener, alcohol, brush cleaner
- Primer, moisturizer
- Foundations (various from light to dark)
- Concealors (light to dark)
- Pressed or loose powders (various colors or invisible)
- Blushes
- Eye shadows (mostly matte)
- False lashes and adhesive
- Tweezers, scissors, eyelash curler, hand sanitizer, hair clips
- Various lip (nude shades preferred), eye, and eyebrow pencils
- Lipsticks (warm and cool colors)
- Mascara (black)

You can find many of these products at local drugstores or online.

The MAC Pro Student Kit will have most of the makeup needed, but you will also need the tools for application and removal of makeup. Not having your kit in time will not be considered sufficient excuse to request a refund.
