☐ Check here to certify that in 2013 or 2014 no member of your household, as reported on the FAFSA, received benefits from the Supplemental Nutrition Assistance Program (SNAP)/Food Stamps program.

The student’s household includes:

- The student.
- The student’s spouse, if the student is married.
- The student’s or spouse’s children if the student or spouse will provide more than half of their support from July 1, 2015, through June 30, 2016, even if the children do not live with the student.
- Other people if they now live with the student and the student or spouse provides more than half of their support and will continue to provide more than half of their support through June 30, 2016.

Note: If we have reason to believe that the information regarding the receipt of SNAP benefits is inaccurate, we may require documentation from the agency that issued the SNAP benefits in 2013 or 2014.
