<td>3. Review of 2009-2010 Tentative Budget</td>
<td>Mike Gregoryk gave an update on the impact of proposed budget cuts on Mt. San Antonio College. The final numbers will not be known until we get the documents from the Chancellor's office. The budget falls short by $4+ million of funding several of the revenue deficits. The revenue from the planned student fee increase has been assumed. On the positive side, the 2008-09 cuts were not adopted. The selected categorical cuts reductions and the anticipated federal backfill were reviewed. Mike cautioned that this is one-time money. The Committee asked about the dates for the Task Force on Revenue Enhancement and Cost Cutting Ideas. The idea of charging all campus visitors for parking and using ticket dispensers was suggested.</td>
<td>No Action/Outcome.</td>
