

Distance Learning Committee

2022-23

PURPOSE: The purpose of the Distance Learning Committee is to discuss, review, and evaluate distance learning modes of instruction, and recommend and promote best practices and new opportunities for distance learning and teaching.

FUNCTION: The Committee's functions are to:

- evaluate and recommend approval of Distance Learning Course Amendment Forms
- · recommend policy and processes pertaining to distance learning
- · evaluate and promote a variety of effective practices and standards for distance learning that foster student equity and success
- support sharing and collaboration among distance learning faculty by working with the Faculty Center for Learning Technology,
 Information Technology, Faculty Professional Development Council, and the Faculty Learning Activities Committee
- facilitate the development of an ongoing Distance Learning Plan
- coordinate with campus committees and other constituencies with regards to distance learning
- · support accreditation processes

Office of Distance Learning & Instructional Technology Updates (Katie)	 FCLT & LIEAL: Find Out Fridays starting 3/17. Instructional Technology & OER workshops available in POD. This week @10 AM, Creative Commons and Attribution. DL Recertification Day – Friday 5/12; Equity-theme Instructional Tech Updates: Canvas Studio funded for 23-24 Canvas Speedgrader issue – Audio & Video comments not showing up in student gradebook. Solution: Leave message about audio/video feedback. This is a result of a recent update in Canvas and they are looking into it. CopyLeaks demo in process. CVC Consortium Updates Possible issue with student-facing Canvas accounts for courses with varying term dates. CVC and Canvas are looking into the issues to see if this is something that can be done through the Consortium trust relationship or if it is something that needs to be looked at by Canvas or individual institutions. (This would not impact more than 15 students at Mt. SAC and has not been reported as an issue here.) Reminder: Online Teaching Conference 6/21-23 Question about badging POCR/CVC Quality Reviewed in schedule? Good question, although there are a lot of badges currently in schedule so unsure of room for more. Katie will connect with Dean of

	The DLC will consider core features and continue the discussion at the next meeting.
Senate Referral to DLC: Cheating/plagiarism reduction/mitigation strategies for online teaching	Tabled until next meeting This was part of the Academic Senate Goals. It was noted that the FCLT supports tools such as HonorLock and Unicheck. Senate goals indicated this goal is fulfilled, however, request is for more information on how to find training.
Senate Referral to DLC: DLC requested to make recommendations to address gaps in support for DL Students.	Tabled until next meeting This was part of the Academic Senate Goals. It was noted that Distance Learning (not the DLC) supports the Mountie Student Hub by including it in SPOT training. Senate requests that DLC make additional recommendations.
Distance Learning Handbook	Tabled until next meeting This week the DLC will review Basic Principles for Online Course Design Regular Substantive Interaction Course Materials The next sections to review will be: Course Assessment Student Privacy Accessibility of Distance Education Courses
DL Amendment Forms	Tabled until next meeting The current DL Amendment form process is conducted outside of WebCMS. Curriculum has requested that it be reintroduced into WebCMS again, but in a different way so that we don't run into the same issues we did before. Mt SAC's DL Amendment form is unique and its basic format has not changed in nearly 20 years. Before reintegrating it into WebCMS, we should examine the form itself to determine if changes need to be made.
Recert Day	Tabled until next meeting SPOT recertification intensive tentatively planned for May 12 with an equity focus.
SPEQ Update	Tabled until next meeting

Spring 2023 semester dates – 8 meetings – as needed (finals week, summer are possible)
DLC Meetings - 2nd and 4th Tuesdays at 1:15 – 2:45 PM online via Zoom
