Education Code Section 81005 and 81820; Title 5 Sections 57150 et seq.

The College President/CEO will annually report to the Board of Trustees and to the State Chancellor's Office a five year Capital Outlay Program. The Program will consist of the College's plans concerning its future academic and student service programs, and the effects of such programs on construction needs.

Specifically, the five year Capital Outlay Program will include the following:

- statement of educational plans;
- statement of energy plans;
- statement of disabled persons' barrier removal plan;
- location of program delivery;
- location of other owned lands;
- college-wide priority lists;
- college-wide capacity/load ratios; and
- college-wide supporting detail.

Construction contracts will be let in accordance with AP 6350 Contracts – Construction and will comply with applicable laws relating to public works.
