Education Code Section 72122

The Board shall consider all gifts, donations, and bequests made to the College. The Board reserves the right to refuse to accept any gift which does not contribute toward the goals of the College, or the ownership of which would have the potential to deplete resources of the College.

The College shall assume no responsibility for appraising the value of gifts made to the College.

Acceptance of a gift shall not be considered endorsement by the College of a product, enterprise, or entity.

In no event shall the College accept a donation from any donor who engages in practices or policies that discriminate against any person on the basis of nationality, religion, age, gender, gender identity, gender expression, race or ethnicity, medical condition, genetic information, ancestry, sexual orientation, marital status, or physical or mental disability; or when the stated purposes of the donation are to facilitate such discrimination in providing educational opportunity.

General procedures for acceptance of gifts and donations are contained in the Administrative Procedures. In addition, the process for accepting gifts of art to be displayed on campus will be specifically delineated in the College's Administrative Regulations and Procedures.
