BP 5055 Enrollment Priorities

References:

Title 5, Sections 51006, 56026, 56232, 58106, 58108

Course enrollment may be subject to any priority system that has been established by the governing board. The College President/CEO shall establish procedures defining enrollment priorities, limitations, and processes for student challenge, which shall comply with Title 5 regulations.

Mt. San Antonio College shall provide enrollment priorities to qualified Extended Opportunity Programs and Services (EOPS) students to facilitate their access and their enrollment in the College per State Regulations. The College must provide services which allow EOPS eligible students the ability to enroll in the courses and/or sections recommended by their EOPS counselor and which appear on the education plan developed with the counselor.

Students with professionally verified disabilities shall be granted priority registration per State regulations. The Disabled Student Programs and Services (DSPS) Office will verify this service for students who provide disability verification and who request priority registration.
