

The MAC PRO Student Program

Once you are enrolled in the Makeup Artistry Certification Program, you are eligible to apply for **MAC PRO Student membership**. A \$10.00 sign up fee allows you to qualify for MAC product discounts at MAC Pro Stores as well as invitations to Master Classes, in-store events, PRO Website access, and student makeup kits. This membership is limited to a 6-month period, after which if you are a working makeup artist, you may apply for the MAC PRO (not student) membership.

For more information about the MAC PRO Student Program, check out:

http://www.macpro.com/templates/user/pro_student.tmpl

You may pick up a **MAC Pro Student application** at a MAC Pro store (Brea, South Coast Plaza, Pasadena, etc.) or by following this link:

You will need **proof of enrollment along with photo id and payment to apply**. You should mail back to MAC in Toronto (address on the form) or drop off the application at a freestanding local MAC store (that will take longer though). **Faxes are no longer accepted**. Please note that the application process takes approximately **4 WEEKS** from receipt of the completed form at MAC's headquarters in Toronto. Therefore if you hope to get your kit in time for class, you must register for class early and submit the MAC Pro Student application right away.

Once you have your MAC PRO student membership number, you may then choose to order a MAC Pro student kit. Currently both a colour kit and a tool kit are available which are priced at a 40% discount off retail. Contents and pricing are subject to change. To order one or both kits, call MAC Customer Service at 800 387-6707 x8555. These kits are not available in stores, only available by phone.

MAC Pro Student kits are highly recommended but not required. You must however bring the makeup and supplies necessary for the course.
