

REMOTE ACCESS TO ARTICLE DATABASES

1. Start at <http://library.mtsac.edu>.

Under “Find Articles,” select “Databases by topic/subject” or “Databases by title.”

Find Articles

Databases by topic/subject

Databases by title

2. Enter a database by clicking on its title.

QUICK TIP

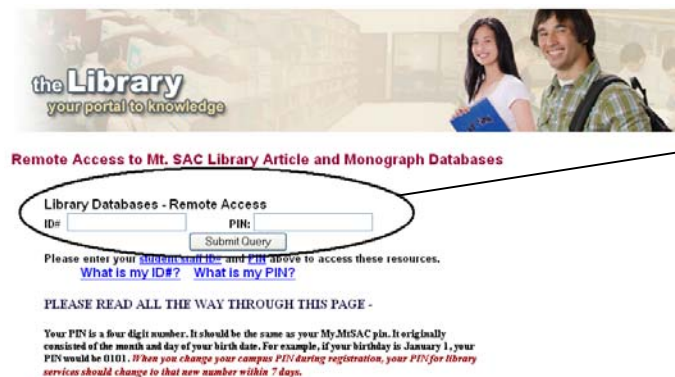

Asking a librarian for database recommendations can save you lots of time!

3. When you are off campus, you will be prompted to log in.

ID = student ID number
(faculty/staff use PID)

PIN = 4-digit registration PIN
(faculty/staff use birthday mm/dd)

Do not use dashes or spaces.

QUICK TIP

STUDENTS: This is the same info you use to log in to My.MtSAC.
