

SEARCHING THE LIBRARY CATALOG

Screen 1

Type keywords for your topic in the blank box provided.

Press the Enter key to "Search Everything."

Tip: If you have more than one keyword, use "and" for best results.

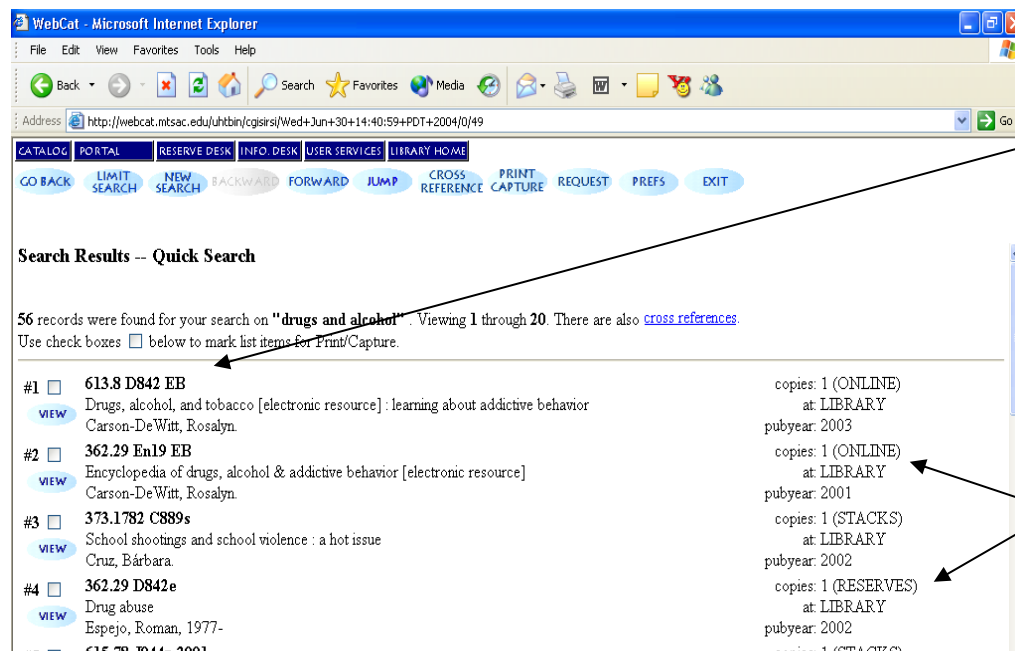

Enter keywords to find books. Use "and" for best results.

Screen 2

Write down the call numbers for books that interest you.

Note the "copies" information. If the book is "CHECKEDOUT" it is not on the shelf.

The Call Number will help you find the book.

Note the location information.
