| OCLC WMS, WCL, KB | 1. LeAnn offered support with OCLC WMS and WCL to circulation / reserves staff during the first week of the semester. She also observed processes and suggests future discussion of  
   - Workflow  
   - Ergonomics  
   - Misuse/misunderstanding of textbooks  
   LeAnn reported the system showed a slow response time, but OCLC fixed the situation within 3 – 4 hours.  
2. Chisa reported that OCLC KB error reports are:  
   - 1/3 problems with vendor metadata  
   - 1/3 not an error per OCLC  
   - 1/3 source of error is unknown  
   Chisa observes that OCLC responds quickly to questions.  
3. It was requested that we program OCLC to display Cal Poly and IEALC library holdings in the results list. | 1. Information  
2. Information  
3. LeAnn will investigate whether WorldCat Libraries listings can be customized to display Cal Poly Pomona and IEALC libraries without adding as a search option. |
| Library Home Page | 1. Paul is working on some customization of the OCLC WCL widget:  
   - Adding a reserves tab  
   - Removing the full-text default with the article search  
2. Faculty requested the article search have NO link to full-text only. This request is effective for the entire Fall 2013 semester.  
3. Paul requested that Library faculty offer input on home page links. It is preferred that changes to the website be | 1. Paul will continue work on the OCLC WCL widget.  
2. Paul will remove the default link to full-text articles only.  
3. Library faculty will work with Hong and Paul to discuss the purpose of the Library website. |
| Collection Development | Chisa reported on:  
1. Review of print periodical subscriptions. Print subscriptions will be compared to electronic access by these criteria:  
   - Completeness of coverage  
   - Format – pdf or html  
   - Prevalence of title  
   - Coverage of the topic  
   Faculty members agree with Chisa’s rationale and support cancelation decisions based on the criteria.  
2. Library materials. The College confirmed instructional equipment funds may be used for library materials.  
3. Database request. A faculty member has informally requested a subscription to the database, Project Muse. This request will be evaluated.  
4. We are exploring multi-year purchasing options for some of the print Paralegal materials to control costs and increases. | 1. Chisa will review and cancel appropriate print periodical subscriptions.
