

**GET THE**

**MESSAGE**

If an **emergency** were to occur **on campus**,  
would *you* know about it?

Sign up now for Mt. SAC's new emergency notification system and get an **e-mail, text** or **voicemail** message with vital information during a campus emergency.

Go to your **student or staff portal** and provide your current contact information and indicate how you want to be notified.

You will not receive SPAM!  
You will be contacted during emergencies only!
