

Childcare Services

Admission Policy

Early care and education services are provided between the hours of 6:30 a.m. and 7:00 p.m., Monday through Thursday, and 6:30 a.m. - 5:00 p.m. on Friday for student/parents, staff, and community parents (*community children on a space-available basis only*). The Child Development Center welcomes all children from birth through age 5 regardless of sex, ethnicity, or physical disability. A child must be in good health and parents must meet eligibility requirements. Student/parents must be enrolled in 6 or more units of credit coursework in order to be accepted into the program.

Children's Program

Half and full-day State Preschool programs, CalWORKs, CCAMPIS, as well as General Childcare funding, are available to a limited number of eligible children. Children not eligible for State funding may enroll in the fee-based program. The fee schedule is available by contacting the Child Development Center at (909) 594-5611 ext. 4920.

Minimum Hours Requirement

Children must attend at least 2 days per week with a minimum of 3 hours each day.

General Policies

Photo ID

Photo ID is required, as Social Security numbers are no longer used for Student I.D. Students now are required to obtain and carry a Mt. SAC picture ID card for use on campus. The card will be validated (with a sticker) at the Bursar's Office each semester of enrollment, after fees have been paid for the semester. The ID card has a bar code which is used in recording attendance in some classes, checking out lab equipment, giving students access to a variety of services, and granting free entrance to Mt. SAC home football games. To obtain a Mt. SAC picture ID card, students must bring a copy of their printed class *schedule* and a California Driver's License or a California ID Card or Passport, to the Bursar's Office in Building 9A and have their picture taken at the Photo ID area. **Existing** cards will be revalidated (with a sticker) when fees are paid. If students do not pay in person at the Bursar's Office, a sticker will be mailed to them. The card is valuable; students need to retain the card throughout their enrollment at Mt. SAC.

Community Education students may now request a College I.D. card. The fee for this service is \$10 for the first I.D. card. The same requirements and policies above apply to the Community Education students.

Parking

Students must observe all traffic laws of the State of California and the College rules and regulations adopted pursuant to Section 21113 of the California Vehicle Code. All four-wheeled vehicles parked in designated student lots **MUST** bear a valid Spring 2008 parking permit. The cost of this permit is \$35. Hanging permit displays, window decals or bumper decals are available. The Student Parking Permit is valid in designated student lots except in the spaces controlled by parking meters or reserved signage. If students have not purchased a permit, they may park in Pay Lot A or Pay Lot B for \$2 per day/evening. Free 30-minute parking is available north of the Bookstore (Building 9A), west of the Administration Building (Building 4), and south of the Performing Arts Center.

Day-use parking permit dispensers are available at various areas in student parking lots. Day-use parking permits may be purchased from these machines for a \$2 fee and are good for the date of purchase only. The parking permits will allow persons to park their vehicles in any student parking lot.

- No parking permit is needed the first two weeks of Fall and Spring semesters and the first week of the first summer intersession only to park in any student
