

Transfer Major Sheet

Engineering

It is the student's responsibility to check the current catalog and www.assist.org for articulation agreements and any changes which may occur. Note: Courses listed below may require prerequisite coursework.

UC Riverside

Students are advised to make early progress toward core engineering courses (ENGR), mathematics and physics courses. If a program is accredited by ABET (Accreditation Board of Engineering Technology), there are specific general education guidelines. Consult individual college catalog for clarification

IGETC is not recommended for Engineering Majors.
See www.assist.org for clarification of G.E. and Admission Requirements.
