Transfer Major Sheet

Engineering

It is the student’s responsibility to check the current catalog and [www.assist.org](http://www.assist.org) for articulation agreements and any changes which may occur. Note: Courses listed below may require prerequisite coursework.

UC Riverside

Students are advised to make early progress toward core engineering courses (ENGR), mathematics and physics courses. If a program is accredited by ABET (Accreditation Board of Engineering Technology), there are specific general education guidelines. Consult individual college catalog for clarification.

**IGETC is not recommended for Engineering Majors.** See [www.assist.org](http://www.assist.org) for clarification of G.E. and Admission Requirements.
