

VINEYARD VETERINARY HOSPITAL
QUALITY CARE FOR DOGS AND CATS

NOW HIRING:

Registered Veterinary Technician

Our core value is "Quality, Compassionate Care" for our patients and their parents.

Vineyard Veterinary Hospital is looking for a team-player who not only has compassion for animals but also understands the human-animal bond and cares about the pet's owners needs as well. If you take pride in your work, have excellent attention to detail, had excellent performance reviews, communicate well and have empathy, this may be an excellent Full-time opportunity for you!

Put your advanced knowledge and skills to the test in a rewarding and professional atmosphere. We have recently expanded and remodeled our practice and are proud to offer a unique working environment.

Job tasks include: RVT must have a broad knowledge of animal science, medicine, and husbandry, including knowledge of pharmacology and sufficient mathematical skills to ensure the administration of accurate drug and fluid doses. They must be able to successfully restrain animals, complete clinical laboratory tests, use multiple radiology techniques, administer and monitor animals under anesthesia, assist in surgery, and perform dental procedures.

Benefits include working with a wonderful staff and management team that value your contributions, paid sick days, uniforms, fixed monetary contribution monthly for health care insurance , and discounted pet care. Applicant **MUST** be able to work rotating Saturdays.

Vineyard Veterinary Hospital. is committed to providing a drug and alcohol free workplace. We test all applicants for drugs and alcohol who may receive job offers from us.
