

Mastering the Field of Human Resources Part 1: Wage & Hour Laws

By the end of this course you will:

- Define the law to provide meals to your employees, discuss meal waivers and understand the importance of rest breaks
- Become proficient with the wage laws of minimum wage, overtime pay, holiday pay and double pay
- Understand how to properly terminate employees and how payment relates to the last day of hire
- Be aware of the sanctions and penalties for not abiding by the law and staying compliant
