Student Success Inventory

The Student Success Inventory is the first step of your assessment for course placement at Mt. San Antonio College. The questions have been developed to assist with placing students in courses.

Please answer the questions as honestly as possible. Although there are no right or wrong answers, the questionnaire will play an important part in your overall assessment.

1. Login to your portal - https://inside.mtsac.edu/

2. Select the “Student Success”.

3. Locate “Student Success Inventory” channel.

4. Select “TAKE QUESTIONNAIRE”.

You must complete this questionnaire prior to taking the placement test.
