1100 N. Grand Avenue, Walnut, CA 91789
High School Office: Building 30, Room 115
(909) 274-4937

What is the Mt. San Antonio College High School Referral Program?

The High School Referral Program offers high school students the opportunity to retake classes to earn a higher grade and/or make-up credits. Credentialed teachers supervise the classroom and provide individual instruction and support.

Are there any requirements for admission?

Students must be currently enrolled in high school and have a referral form signed by both a parent *and* a counselor.

Where is the program located?

The program is located in Building 30 at Mt. San Antonio College.

What time is the program open?

Class is in session from 4:00pm-8:00pm Monday-Thursday except for Electives which are in session from 5:30pm-8:30pm. Students do not need to attend for the entire class period.

How does the program work?

Our program is:

- *Independent study*: Students are provided with all the materials they need to complete a course. Teachers and tutors are available for support.
- *Self-paced*: Students work at their own speed.

Is there any cost for the program?

No. The program is free and textbooks are provided. However, students are required to have a Mt. SAC ID, which costs \$10. Also, parking permits are required for individuals who park on campus.

How do I complete a course?

You must meet three requirements to get credit for a course: hours, coursework, and a "C" average.

- *Hours*: Courses take approximately 75 hours to complete. The minimum amount of attendance hours necessary for each 5 credit course is 62.5 hours.
- *Coursework*: Students are expected to complete and turn in assignments, projects, quizzes, and tests in order as specified by the syllabus. All work must be completed in the classroom.
- *Grade*: Students must achieve a 70% or better ("C") overall grade in the class. Credit will not be issued for any grade lower than a "C".

Courses must be completed by the end of the spring semester to receive credit. There is no carryover of coursework or hours into the following summer semester or school year.

How do my credits get applied to my transcript?

Credits completed in the High School Referral Program are transferred to your high school. A transcript will be mailed to your high school approximately 2 weeks after completion of the course.

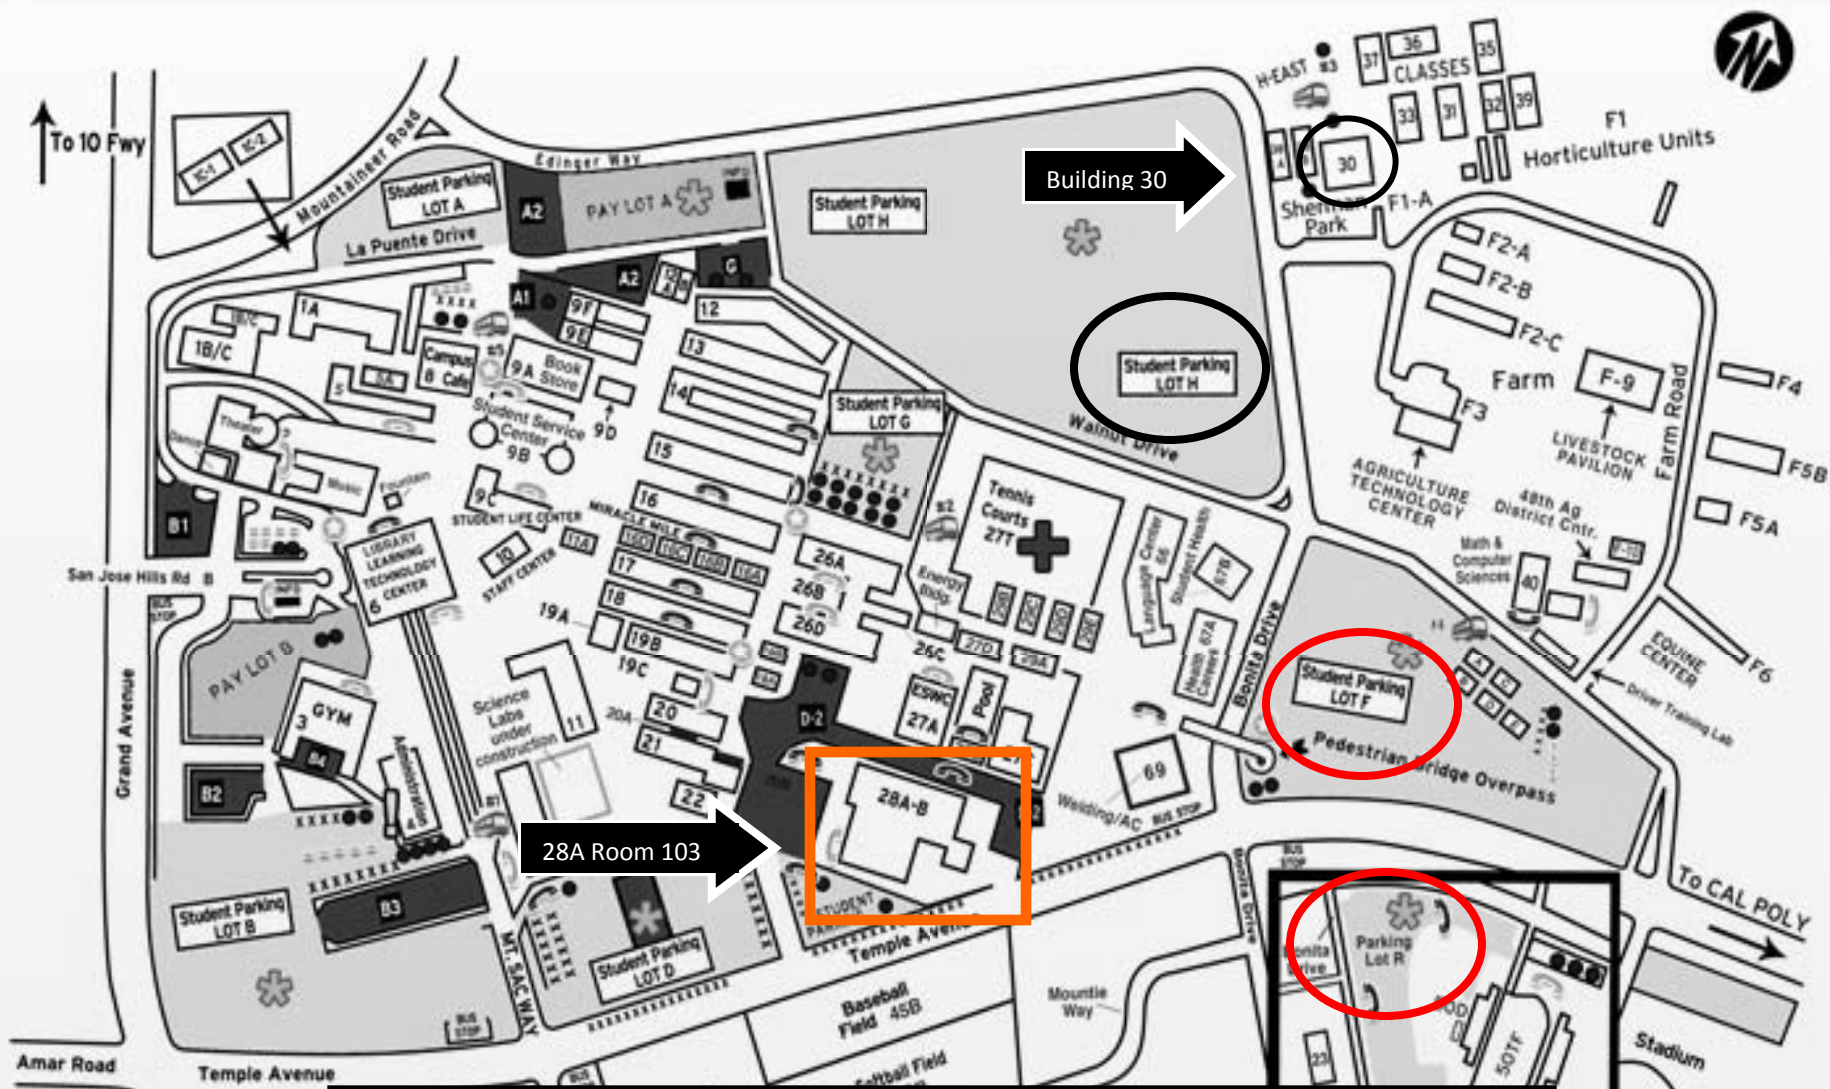

How can I get started?

All students and their parent or legal guardian will need to participate in an orientation session which will provide you with detailed information about the program. Returning students do not need to attend an orientation again (however, a shorter information session is required for returning students taking Biology and/or Chemistry for the first time).

How do I register for an orientation?

Orientations are offered regularly throughout the semester.

- 1) To register for an orientation please call the High School Office at (909) 274-4937.
- 2) Orientations are held in Building 28A or Building 30 depending on the day and time. You will be informed of your location when you schedule the orientation. Please make a note of the location.
- 3) When you come to the orientation, bring:
 - a. Parent or Legal Guardian (no brothers or sisters, aunts or uncles)
 - b. Completed and **signed** Referral Form (obtained from your high school counselor)
 - c. Pen (you will be filling out paperwork)
 - d. \$4 cash for a one day parking permit (permit machine is located on Bonita Drive, south of Temple Avenue)
- 4) Be on time to the orientation. If you are late, you will have to reschedule.

- ☐ Orientations are held in Building 28A, Room 103 (subject to change, verify when scheduling)
 - Park in Student Parking Lots F or R for orientations.
 - A \$4/day parking permit is required.
 - Day parking permits can be purchased at machines in the parking lots.
- ☐ Classes meet in Building 30. The High School Office is also located in Building 30, Room 115.
 - Park in Student Parking Lot H for class.
 - Student parking permits are required for Lot H. You will receive information at orientation on how to purchase a permit for the semester.
