

INLAND EMPIRE STUDENT EVENT

FROM COMMUNITY COLLEGE TO CPA

DON'T MISS OUT!

RAFFLE PRIZES

AND MORE!

We are privileged to have **Bill Pirolli**, CPA/CFF/PFS, CGMA, Chair of the American Institute of CPAs (AICPA) present at our annual student event. Did you know that Bill began his career with a two-year degree from Rhode Island Junior College?

Join us for an informational afternoon devoted to getting you on track to becoming a Certified Public Accountant (CPA) and learning how far it can take you! Bill will guide us through topics such as navigating your way as a community college student, learning about the restructuring of the CPA Exam, and will dive into the multitude of possibilities you'll have with a CPA license.

We'll have a professional panel featuring CPAs whose journeys also began at community/junior colleges, and how they got to where they are now. The event will wrap up with a fantastic opportunity to network with accounting professionals from top firms in the Inland Empire area, and a raffle with prizes such as an Apple iPad, Apple AirPods, and even a Yeti cooler!
