Research & Institutional Effectiveness

MENU

Research & Institutional Effectiveness

The Research and Institutional Effectiveness (RIE) department has as its Mission to increase Mt. SAC's capacity for data-driven decision making by:

- Providing resources and research expertise to support the College to use collaborative inquiry.
- Improving effective information delivery systems and integrity.
- Training the College to use excellent research and evaluation practices.

Changing Landscape

Mt. San Antonio College (Mt. SAC) continues its engagement in data driven decision making as a result of both the campus

Increased Demand for Services

The more the campus understands what RIE can do

collaborative inquiry work with stakeholders to advise and guide them on their research methodologies and reporting.

culture requiring it as well as outside (external) agencies requiring it (e.g., Guided Pathways).

for them, the more they request our services. This is fantastic as well as challenging. The increased requests for services requires strong project management to be able to adjust and re-adjust the researchers' project load.
