

**2021-2022 Academic Year  
Persistence Rates**

|  | Enrolled in<br>Fall 2021 | Enrolled and<br>Persisted to<br>Spring 2022 | Persistence Rates |
|--|--------------------------|---|-------------------|
| Active Umoja Aspire students Only                                      | 195                      | 153   | 78.5%             |
| Active Umoja Aspire students Only (Black or African American students) | 123                      | 95  | 77.2%             |
| All Mt. SAC Black or African American students                         | 813                      | 474   | 58.3%             |
| All Mt. SAC credit students  | 25,986                   | 17,469                                      | 67.2%             |

Note: Persistence rate data only examines credit coursework.  
Note: Persistence rate is defined as the percentage of student who enrolled in both the fall and spring term within the same academic year.  
Note: **All Mt. SAC Black or African American students** exclude any Umoja/Aspire Black or African American students.
