

# Mt. SAC 2017 Accreditation Lessons Learned

2010: Then	2017: Now
Create ongoing Accreditation Steering Committee	Visit Preparations & Debriefings are <b><u>critical</u></b> to success.
Provide more opportunities for Classified to be authentically engaged	Provide different opportunities for engaging employees who work nontraditional hours
Create more and varied training opportunities	Identify an expert lead writer and an effective facilitator for each Standard. Minimize writing by committee.
Weave accreditation into College's day-to-day operations	Engage all constituencies individually and in group sessions while continuing traditional communication methods.
	Accreditation included in Committee Purpose and Function Statements
	Improve ways to manage Evidence
	Conduct formal process evaluations and make feedback public.
