September 30, 2022

Dear Department Chairs and Division Managers:

Per Administrative Procedure (AP) 4020 Program and Curriculum Development, it is time for a review of courses that have not been offered in two years and courses that are up for their five-year review. Please share both lists of courses and this message with your faculty colleagues.

Faculty have the following options in reviewing their courses:
1) **By January 1, 2023**: Provide a rationale for why the courses were not offered in the last two years and why they should be kept in our curriculum inventory for another year.
    a. Save a copy of the spreadsheet "Courses Not Offered Since Fall 2020" under a new file name and add the name of your department to the file name at the beginning, for example, "Learning Assistance – Courses Not Offered Since Fall 2020."
    b. Email that list with rationale, to Meghan Chen, Associate Vice President of Instruction mchen@mtsac.edu and copy your division manager(s) and Irene Pinedo, Curriculum Specialist (credit courses), ipinedo3@mtsac.edu or Lesley Cheng, Curriculum Specialist (noncredit courses) lcheng26@mtsac.edu.
2) **By May 31, 2023**: Review and update their course outline of record **stage 4** via WebCMS.
3) **By May 31, 2023**: Request deletion of their course outline of record via WebCMS.

Faculty are encouraged to consider submitting their course outline of record earlier than May 31st, if possible, to support timely production of next year's catalog.

The following resources are available to support faculty in this work:
1) It may be helpful to consider courses not offered in two years and/or courses that are up for their five-year review in context of program completion:
    • Awards (certificates and degrees) data are available on a Power BI dashboard (visit the Research and Institutional Effectiveness webpage, scroll to the bottom and select **Dashboard Launch Page.** Use your Mt. SAC login credential to log in, then select the link to Awards.)
2) Faculty who need access to our curriculum management system WebCMS may request it here.
3) Malcolm Rickard, Curriculum Liaison, mrickard@mtsac.edu, and Dianne Rowley, Assistant Curriculum Liaison, drowley@mtsac.edu
4) Irene Pinedo, Curriculum Specialist II (credit), ipinedo3@mtsac.edu, and Lesley Cheng, Curriculum Specialist I (noncredit), lcheng26@mtsac.edu

5) **Oktober Fest Curriculum Training and Hands-on Work Session** (Oct. 17 – Nov. 4, ***all virtual***) –

These are designed for faculty to learn together and ask just-in-time questions while they can choose to work on the COR or get (re)acquainted with WebCMS. Please register on the [POD](#) calendar.

Direct links to each topic are below:

Thank you all for your hard work! We are excited to support you at the training sessions and individually at your request. Please let us know if you have any questions.

Sincerely,
Meghan

Meghan M. Chen, PhD
