

2024 Institutional Self Evaluation

Mt. SAC is conducting a self-evaluation and writing an Institutional Self-Evaluation (ISER) report in preparation for a comprehensive accreditation review which begins in Fall 2023 by the Accrediting Commission for Community and Junior Colleges (ACCJC (<https://accjc.org>)). The public is invited to submit comments about Mt. San Antonio College to our accrediting body by completing a [third party comment form](https://accjc.org/forms/third-party-comments/) (<https://accjc.org/forms/third-party-comments/>) on the ACCJC website.

The College Accreditation theme, "Weaving Our Story," has framed the self-evaluation work. As part of this process, Mt. SAC faculty, classified, confidential, managers, and students participated on teams to collect evidence and document the College's policies, processes, and practices towards meeting ACCJC Standards. The Mt. SAC ISER is being finalized in Spring 2023, with stakeholder review and input.
