Madelyn A. Arballo, Dean, School of Continuing Education
Mt. San Antonio College Continuing Education
1100 N. Grand Avenue
Walnut, California 91789

Dear Madelyn A. Arballo:

Based on all of the information provided by the school, including the school's progress report, the Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC) has determined that Mt. San Antonio College Continuing Education (AD) meets the ACS WASC criteria for accreditation.

Mt. San Antonio College Continuing Education's accreditation is now reaffirmed through the end of the current accreditation cycle ending on June 30, 2024.

Accreditation status is conditioned upon Mt. San Antonio College Continuing Education's continued adherence with the ACS WASC policies, procedures, and criteria for accreditation. This includes a requirement that an accredited school annually contribute members to participate on visiting committees. Failure to maintain compliance with said policies, procedures, and standards is grounds for modification and/or withdrawal of the accreditation.

The Commission looks forward to Mt. San Antonio College Continuing Education's anticipated success and continuing improvement in keeping with ACS WASC's pursuit of excellence in elementary, secondary, and adult education.

Sincerely,

A handwritten signature in black ink, reading "Barry R. Groves".
