What is Accreditation?

Mt. San Antonio College (Mt. SAC) is accredited by the Accrediting Commission for Community and Junior Colleges (ACCJC) of the Western Association of Schools and Colleges (WASC). ACCJC is recognized by the U.S. Department of Education (ED) as a reliable authority regarding the quality of education offered by the institutions it accredits in keeping with the Higher Education Act of 1965. ACCJC is also recognized by the the Council for Higher Education Accreditation (CHEA), which has established criteria that define a quality review system for accrediting agencies. ACCJC accredits institutions in the United States, with a primary mission of granting associate degrees; institutions accredited by ACCJC may also award certificates and other credentials, including bachelor's degrees.
