Flex Day Fall 2021 Session 2: Turning Over a New Leaf – Sustainability at Mt. SAC

Last Updated
05/27/2021

Details

As we return to campus, reflecting on the past year, renewing and embracing our commitment to making our campus the best it can be, please join the Climate Commitment and Environmental Justice Committee as we share our updates:

- (1) “Mt. SAC going Green”: our campuses sustainability projects and working toward a carbon neutral campus. An update from the facilities perspective.
- (2) Orientation for our second LEAF course cohort: how to embed sustainability into your curriculum.
- (3) Meet Mt. SAC’s first Sustainability Director: learn more about the team’s vision for our campus.
- (4) Tips on how to make your return to campus more “green”. first semester in operation; 2. learn about fall semester resources the MMMC is offering; and 3. find out how you can get involved in the work we are doing.
