Subject: Courses Needing SLO Updates
Date: Sunday, June 5, 2022 8:34:53 PM

Hi Mark & Michelle,

It's been a busy semester and thank goodness the end is near! The Outcomes Committee just completed our annual review and found the courses listed below in your division needing SLOs to be updated. As a reminder, each course should assess at least one SLO and enter the data in Nuventive once every 4 years. POD is offering a workshop [How to Complete Outcomes in Improve \(aka TracDat\)](#) this Thurs, June 9 at 10am-11:30am, for anyone needing a refresher. Please pass this along to the appropriate faculty so they can update the SLOs either this summer or fall. Thank you!
