

Mt. San Antonio College, School of Continuing Education, ESL Program

Consequential Validity Study Summary – Winter 2023

Percentage of satisfaction with course placement using the ESL-CAP test								
Course	Pre-1	1	2	3	4	5	6	OVERALL
n =	16	18	8	13	1	3	16	75
New students- correct level	87% ^A	100%	100%	92% ^B	100%	100%	94% ^C	83%
New students - stay in class	87%	100%	100%	85%	100%	100%	94%	95%
Instructors - satisfied	96%	100%	100%	100%	50%	100%	94%	91%

A: 6.5% of these students reported that the class was too difficult at the beginning, but there is not a lower-level class, and 6.5% of students reported the class was too easy.

B: 8% of these students reported that the class was too easy at the beginning level but wanted to stay in the same level class.

C: 6% of these students reported that the class was too easy, but no higher-level class is available in our ESL Program.
