How can I get help in the Library?

Answer

Librarians work at the Information Desk all [hours \(https://www.mtsac.edu/library/hours.html\)](https://www.mtsac.edu/library/hours.html) that the [Library \(https://www.mtsac.edu/library/\)](https://www.mtsac.edu/library/) is open. Librarians are there to help you navigate the [Library's website \(https://www.mtsac.edu/library/\)](https://www.mtsac.edu/library/) and help you locate a variety of materials both in print and online. You may also ask for assistance with printing, photocopying, and scanning.
