- E. International F-1 Visa students must complete the International Students Orientation prior to enrollment.

Economic Hardship Exemption:

Per California Education Code Section 76142, any prospective international student who possesses an economic hardship is exempt from paying the international student application fee. Economic hardship, in this instance, refers to the prospective student's and/or his/her family's ability to pay for the application fee by proving a prior year income (adjusted to U. S. dollars) of \$80,000 or less. Students qualifying under Education Code Section 76140 who are exempt from paying nonresident tuition, are also exempt from paying the international student application fee.
