The District shall maintain professional development opportunities for faculty, permanent classified professionals, and managers as essential components of accomplishing Mt. San Antonio Community College's vision, mission, and educational master plan. Employees will be afforded opportunities to continue growth through participation in professional development activities as outlined in Mt. SAC's Professional Development Plan. Resources shall, at a minimum, be provided by the District as specified in California Laws and Regulations, collective bargaining agreements, and employment contracts, with eligibility for some professional development opportunities being based on external funding.
